Proposed Changes to Draft Plan 3

Subject: Proposed Changes to Draft Plan 3
Date: Mar 5, 2015 10:54 AM

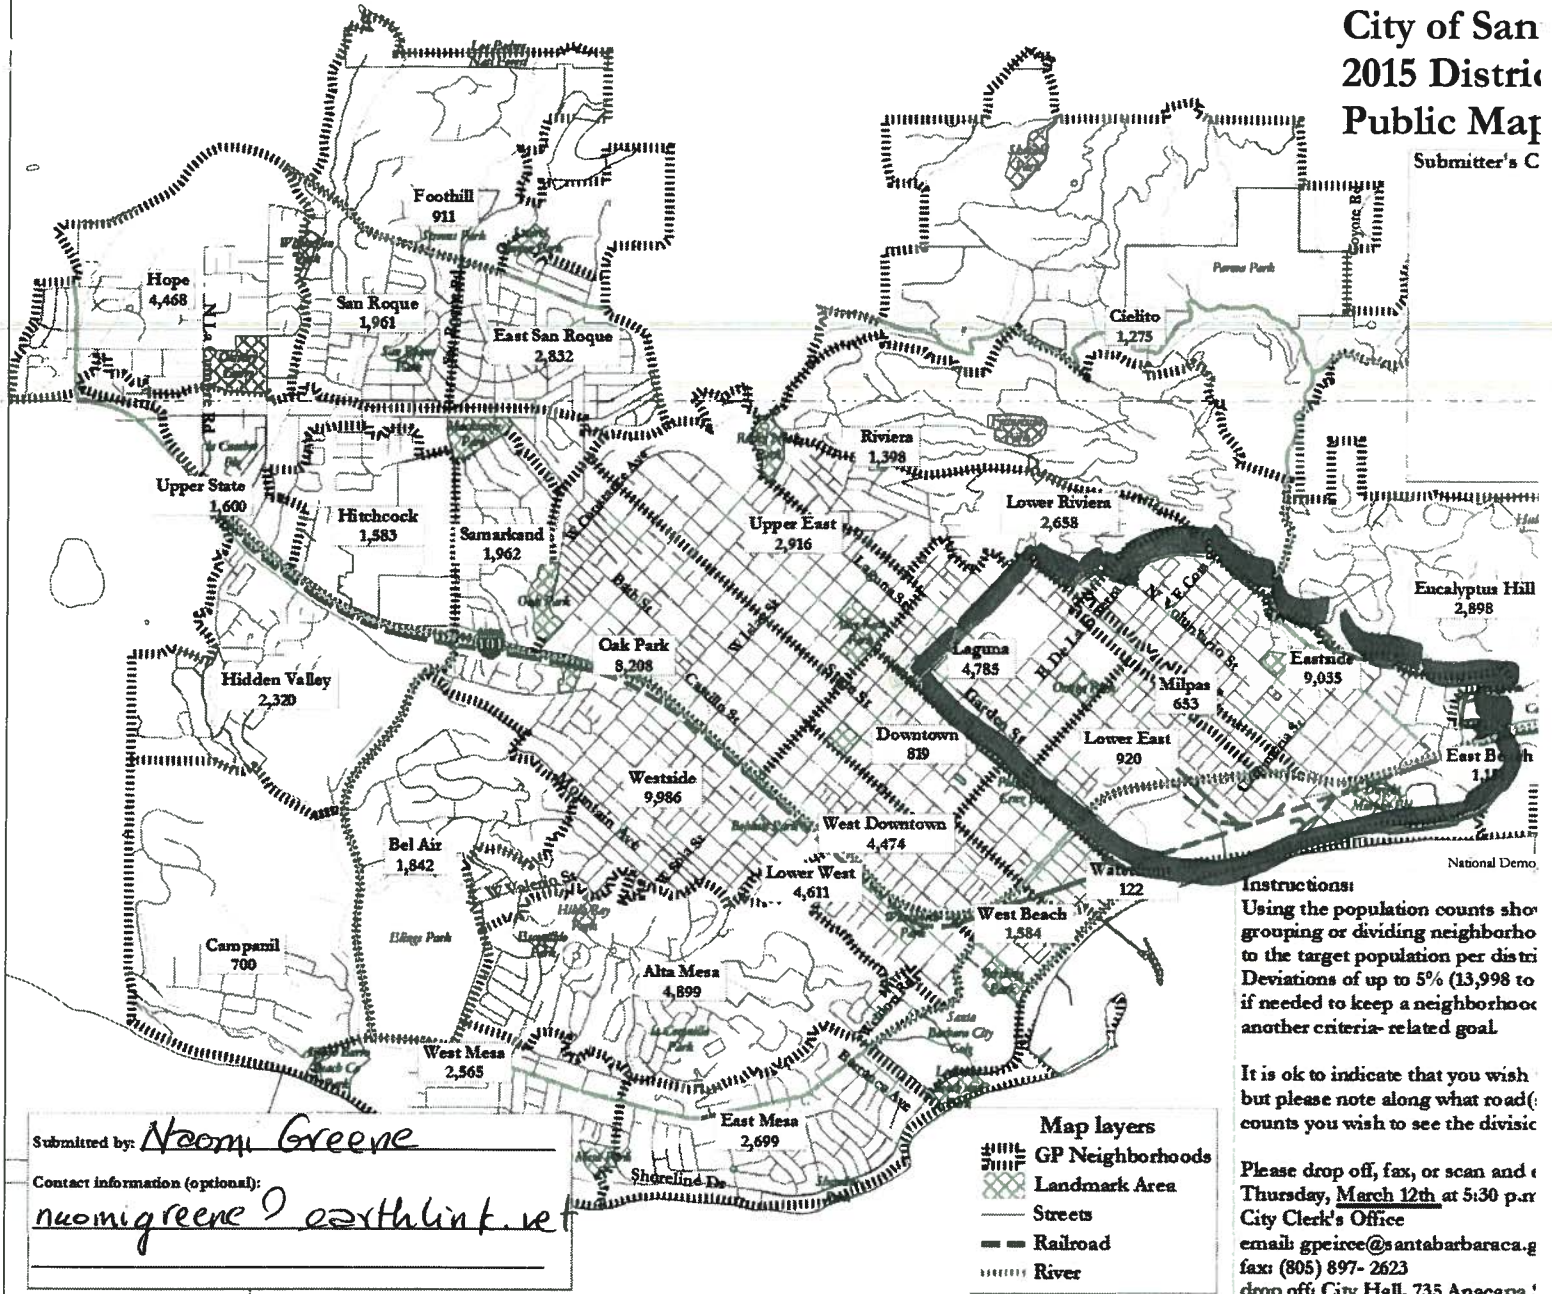

I'd like to support Draft Plan 3 but, as a long time resident of the Eastside I would like to suggest the following changes to enhance the integrity and cohesiveness of District 1. I think that APS should be the border of the Eastside District. (Perhaps it could jog around to include the Cleveland school).

The Eastside should extend North to Anapamu and include the 1100 block of E. Ortega and E. De la Guerra, as well as the 700 block of N. Soledad. It's not clear from the map whether or not East Beach townhouses and El Escorial are included in the present map but I think they should be.

In addition to these changes to District 1 I would like to suggest one that bears on District 3: I think it should include Pershing Park.

Note: this plan proposes three split census blocks -- one at the NW end of District 3 and two at the east end of District 1. But the online mapping system cannot show split census blocks. So the online version looks slightly different, but has the same demographics. This version, with the split census blocks, is the official proposal.
